

Laboratory Medicine Congress Programme

Laboratory Medicine Congress Programme

WEDNESDAY, 31ST AUGUST 2011

16h00 – 18:00 Registration open – Level 0 – Exhibition Foyer
18h00 Evening at leisure

DAY 1 – THURSDAY 1ST SEPTEMBER 2011

Session 1 – OPENING SESSION – Ballroom (Level 2)

Session Chair: Jenny Hind

08:00 Registration Opens – Level 0 – Exhibition Foyer
08:00 Exhibition Opens – Exhibition Hall 1, Level 0
10h00 Welcome by Jenny Hind, Convenor, LMC 2011
10h05 Official Opening by Mr Sagie Pillay, CEO, NHLS
10h30 Ministerial Address by Dr Gwendoline Ramakgopa, Deputy Minister of Health
11h00 **Tea & Coffee Break – Exhibition 1, Level 0**

Session 2 – Ballroom (Level 2)

Session Chair: Elsie van Schalkwyk

11h30 Hendrik Koornhof Guest Address
Routinely Collected Laboratory Data: A Powerful Resource
Prof Jill Murray, Head of Section: Pathology – National Institute for Occupational Health (NIOH), of the NHLS and Associate Professor: School of Public Health, University of the Witwatersrand
12h30 SMLTSA Education Forum
The New Bachelor of Health Science: Medical Laboratory Sciences
Prof Johan Esterhuysen, HOD – Biomedical Sciences, Cape Peninsula University of Technology (CPUT)
13h00 Education Forum
Who is to Blame Anyway? A Board Examination Gone Wrong.
Neil de Villiers, Senior Lecturer, Department of Biomedical Technology, University of Johannesburg
Ballroom, Level 2
13h15 **Lunch – Exhibition 1, Level 0**

14h15	<p>Are IVD's a cost drain or do they enable cost efficiencies? Session Chair: Doreen Howard Doris-Ann Williams, MBE, Chief Executive Officer, BIVDA Ballroom, Level 2</p>	<p>SAACB Educational Session Committee 4 Level 4</p>	<p>Cytopathology Oral Presentations Boardroom 6-7 Level 2</p>
15h00	<p>Point of Care presentation from the UK Dr Lou Ann Wyle Sponsored by The Scientific Group Ballroom, Level 2</p>		<p>Cytopathology Oral Presentations Boardroom 6-7 Level 2</p>
16h00	<p>Tea & Coffee Break – Exhibition 1, Level 0</p>		
16h30	<p>PLENARY Session Chair: Ray Mabope <i>An Overview of the Stakeholder Perception Research PathCare Conducted of over 300 Doctors and over 300 Patients into their Views on the "Value of Pathology"</i> Dr Kerrin Begg, PathCare Ballroom, Level 2</p>	<p>SAACB Point of Care Committee Room 4 Level 4</p>	<p>Cytopathology Oral Presentations Boardroom 6-7 Level 2</p>
17h45	<p>Official opening of Exhibition</p>		
18h00	<p>Cocktail Networking Function in Exhibition Area – Exhibition 1, Level 0 Sponsored by Abbott</p>		

Laboratory Medicine Congress Programme

DAY 2 – FRIDAY, 2 SEPTEMBER 2011

Session 3

07h00	FSASP Exco Committee 2 Level 4	IAP Exco Boardroom 1-2-3 Level 2	Roche Breakfast Symposium Excellence in Science 06:30 – 08:00 Committee 4 Level 4	SASH Exco Committee 5 Level 4
-------	---	---	--	--

07h00 Registration – Exhibition Foyer, Level 0
07h00 Exhibition Open – Exhibition Hall 1, Level 0

08h00	SAACB Plenary <i>PoCT - State of Art of POC Connectivity</i> Juan Miguel Venturello, Hemocue Ballroom, Level 2		Cytopathology Oral Presentations Boardroom 6-7 Level 2		
-------	--	--	---	--	--

09h00	Cytology of Infection Prof Andrew Field Ballroom, Level 2	Blood Transfusion Donation Testing Bill Gallagher, Level 2	Blood Transfusion Donar Session Boardroom 1-2-3, Level 2	SAACB Committee 4 Level 4	SASH Committee 5 Level 4
-------	--	---	--	--	---------------------------------------

10h00 **Tea & Coffee Break – Exhibition 1, Level 0**
10h30 *'The Other Side Of The Coin: Nontuberculous Mycobacteria'*
Professor Gaby E. Pfyffer von Altshofen, Head of the Department of Medical Microbiology,
Head of the Center of Laboratory Medicine, member of the Board of Medical Directors, Luzerner Kantonsspital, Luzern, Switzerland
Sponsored by Hain Life Sciences SA

11h30	Microbiology Ballroom – Level 2	Cytopathology Session Boardroom 6/7 Level 2	10:45 – 13:15 SAACB Committee 4 Level 4	Blood Transfusion Blood Banking Bill Gallagher Level 2	Blood Transfusion Marketing Boardroom 1-2-3, Level 2	Anatomical Pathology Poster Session Exhibition 1 Level 0	SASH Committee 5 Level 4
-------	--	--	--	---	--	---	---------------------------------------

13h00 **Lunch & visit exhibition – Exhibition 1, Level 0 SAACB Exco, Committee 4, Level 4**

Session 4

14h00	Rapid Bacteria Culture Method With 0.5 Mc Farland And Susceptibility Testing In Automation Session Chair: Elsie van Schalkwyk Dr Gian Piero Spezzotti (Sponsored by The Scientific Group) Ballroom, Level 2	SAACB Committee 4 Level 4	Anatomical Pathology / Forensics / Cytopathology Poster Session Presentations & Slide Show Boardroom 6-7 Level 2	Blood Transfusion Plenary Bill Gallagher Level 2	SASH Committee 5 Level 4
-------	---	--	---	---	---------------------------------------

16h00 **FRUIT JUICE/ BEVERAGES IN EXHIBITION AND POSTER VIEWING AREAS – Exhibition 1, Level 0**

16h10	Chairpersons and Poster Presenters to be available at their Posters for Questions and Discussion Session Chair: Cardia Fourie – Exhibition 1, Level 0	Anatomical Pathology Junior Pathologist Slide Show Boardroom 6-7 Level 2	SAACB 16:30 Molecular Biology 17:10 SAACB AGM Committee 5 Level 4	SASH Education Session Committee 5 Level 4
-------	--	--	--	--

18h00 Refresh and Dress for Evening Entertainment
Thistle cocktail party by invitation only – Committee Rooms Foyer, Level 4
Siemens – presentation and cocktail party – Presentation, Boardroom 1-2-3, Level 2. Cocktail party at exhibition stand – Exhibition 1, Level 0.

19h00 SMLTSA Congress 21st Birthday Bash – sponsored by Siemens
Pavilion Room, Level 5 (Welcome Drinks in Level 4 Foyer)

Laboratory Medicine Congress Programme

DAY 3 – SATURDAY, 3 SEPTEMBER 2011

Session 5

07h00	IAP AGM Boardroom 6-7 Level 2	SASH AGM Committee 5 Level 4
-------	--	---

07h30 Registration Opens – Exhibition Foyer, Level 0

07h30 Exhibition Opens – Exhibition 1, Level 0

08h00 Bunny Becker Memorial Lecture:
The Modern Pathologist
Prof Runjan Chetty
Ballroom, Level 2

09h00	Microbiology Ballroom – Level 2	Anatomical Pathology / Cytopathology Boardroom 6-7 Level 2	SAACB Committee 4 Level 4	Blood Transfusion Quality Validations Bill Gallagher Level 2	Blood Transfusion Medical Boardroom 1-2-3, Level 2	SASH Committee 5 Level 4
-------	--	---	--	---	--	---------------------------------------

10h00 Tea & Coffee Break – Exhibition 1, Level 0

10:30	Plenary Session Session Chair: Warren Maule <i>Integrated Systems Analysis of the Clinic-Laboratory Interface: Understanding the Nature and Limitation of the Pre-Analytical and Post-Analytical Phases of Specialist Laboratory Tests at South African Primary Health Care Clinics</i> Dr Kerrin Begg, PathCare			SAACB Committee 4 Level 4		
-------	---	--	--	--	--	--

11:30	Microbiology Ballroom – Level 2	Virology / Cytogenetics Targeting ALK Rearrangements in Non-Small Cell Lung Cancer Dennis Merkle – sponsored by Scientific Group Committee 2 – Level 4	Anatomical Pathology / Cytopathology Boardroom 6-7 Level 2	SAACB Committee 4 Level 4	Blood Transfusion Donation Testing Bill Gallagher Level 2	Blood Transfusion Donor Session Boardroom 1-2-3, Level 2	SASH Committee 5 Level 4
-------	--	---	---	--	---	---	---------------------------------------

13h00 FSASP EXCO Meeting – Committee 4, Level 4 (Lunch to be served)

13h00 Lunch, visit exhibition – Exhibition 1, Level 0

Session 6

14h00 The Consumer Protection Act and recent Medico Legal Developments in Pathology, Advocate Graham van der Spuy.
Ballroom, Level 2

15h00	Microbiology Ballroom – Level 2	Anatomical Pathology / Cytopathology Boardroom 6-7 Level 2	SAACB Committee 4 Level 4	Blood Transfusion Plenary Bill Gallagher Level 2	SASH Committee 5 Level 4
-------	---	---	--	--	---------------------------------------

16h00 FRUIT JUICE/ BEVERAGES IN EXHIBITION AND POSTER VIEWING AREAS – Exhibition 1, Level 0

16h10	Chairpersons and Poster Presenters to be available at their Posters for Questions and Discussion Session Chair: Alison Coppin Exhibition 1, Level 0	Anatomical Pathology Slide Seminar Boardroom 6-7 Level 2
-------	--	---

18h00 Refresh and Dress for Evening Entertainment

19h00 SMLTSA 60th Diamond Anniversary and Congress Honours and Awards Banquet (sponsored by NHLs)
Pavilion, Level 5 – Welcome drinks in Level 4 Foyer

Laboratory Medicine Congress Programme

DAY 4 – SUNDAY, 4 SEPTEMBER 2011

Session 7

07h00 FSASP AGM – Committee 4, Level 4
 07H30 Registration – Exhibition Foyer, Level 0
 07h30 Exhibition Opens – Exhibition 1, Level 0
 08h00 *The British NHS – an example of a Nationalised Health System – why it was set up and how does it work?*

Session chair: Doreen Howard

Doris-Ann Williams, MBE – Chief Executive Officer, BIVDA
 Ballroom – Level 2

09h00 *SANBS Strategy for a safe and sustainable donor base in the face of the HIV pandemic*
 Ravi Reddy, COO, South African National Blood Service
 Ballroom – Level 2

10h00 **Tea & Coffee Break – Exhibition 1, Level 0**

10:30	Microbiology 10:30 Oral Presentations 11H15 – 12H00 PLENARY <i>Microbiology Oral Presentations</i> Prof Andreas Hillerman, International Sales, Scientific and Technical Supervisor, Hain Lifescience GmbH (Sponsored by Hain Lifescience SA) 12H15 – 13H00 PLENARY <i>Microbiology Oral Presentations</i> Professor Lynne Webber Ballroom – Level 2	Cytogenetics / Molecular Biology / Management Committee 2, Level 4	Anatomical Pathology / Cytopathology Boardroom 6-7 Level 2	SAACB Committee 4 Level 4	Blood Transfusion 10:30 Plenary 11:30 Medical Bill Gallagher Level 2	Blood Transfusion 11:30 Immunohaematology Boardroom 1-2-3, Level 2	SASH Committee 5 Level 4
-------	---	--	--	-------------------------------------	---	---	------------------------------------

13h00 **Lunch & exhibition – Exhibition 1, Level 0**

Session 8

14h00	Microbiology Ballroom – Level 2	Molecular Biology / Cytogenetics Committee 2 Level 4	Anatomical Pathology / Cytopathology Boardroom 6-7 Level 2	SAACB Committee 4 Level 4	Blood Transfusion Plenary Bill Gallagher Level 2	SASH Committee 5 Level 4
-------	---	--	--	-------------------------------------	--	------------------------------------

16h00 **CLOSING SESSION – Ballroom, Level 2**
